*We welcome the opportunity to meet your snow removal needs
for the 2016 - 2017 season.*

To be placed on our snow removal list, we require a \$100.00 non-refundable deposit. The deposit will be credited to your account & it would only be non-refundable if there is no snow. This is due to up-front costs incurred in getting ready for the snowplow season. We would appreciate payment before October 31, in order that our routes can be organized before the snow flies.

Due to expenses incurred for unmarked hazards we have found it necessary to have our customers sign and return the waiver form in order for us to snowplow at your property. If we do not receive the signed waiver form then we will not be able to plow for you. Please fill out the waiver form on the Snow Removal Services webpage in addition to the Customer Information form to sign up..

*We have free orange markers to identify hazards to be avoided by the operators. Please come by the office and pick some up. **You are responsible for marking hidden hazards, ie. propane tanks, overhangs, rock walls, landscaping, etc.** If there are any driveway changes that will affect snow removal since last season, we would appreciate a call from you or make a note when filling out the Customer Preferences & Waiver form.*

*As in years' past, we will plow on Thursday and Fridays when accumulation is 4 to 6 inches. If you plan to be here during the week, please call ahead or email so that we can make sure your driveway is plowed before you arrive. During the holidays, Dec. 20 - Jan. 2, we will plow any day there is an accumulation of 4 to 6 inches, since so many customers are here enjoying their places.
If you sign up for full time you will be plowed anytime (not just the weekend) there is 4-6 inches.*

Our minimum charge (up to the initial 15 minutes) is \$40.00 (and \$1.92/minute thereafter) + tax. Checks and credit cards are welcome. You can pay by credit card yourself and payments can be processed via PayPal by going to: www.leavenworthelectricandexcavation.com/Payments and choose the PayPal button. You do not need to have a PayPal account. You may also pay securely with an e-check when you receive your monthly invoice by email and clicking on the View & Pay Invoice button and then the Pay Now button. Checks are always welcome.

*If you have any questions, please feel free to call the office Mondays - Thursdays. (509) 763-2000
Thank you again for selecting us. It is our privilege to work with you.*

Sincerely,

*Mike McComas
